

BIKE CLEAN

Biodegradable high-performance bicycle cleaner

Description

After a ride through wet terrain or a long season, stubborn dirt, grease, and oil residues take their toll on the bike and make cleaning a recurring challenge. MOTOREX BIKE CLEAN provides the perfect solution. Thanks to its gel-like consistency, the cleaner adheres optimally to surfaces and effortlessly dissolves even dried-on dirt—without tedious brushing or scratching the frame. Independent tests regularly confirm the outstanding cleaning performance of MOTOREX BIKE CLEAN. Its effectiveness is achieved through active cleaning agents that remove grease, oil, and dirt efficiently without the use of aggressive solvents. In addition, MOTOREX BIKE CLEAN is rapidly biodegradable and non-corrosive. This environmentally friendly cleaner is thus safe for use on a wide range of materials. MOTOREX BIKE CLEAN is carbon-tested and does not affect seals, elastomers, or braking performance. This makes it completely safe for every type of bike.

Product attributes

- Excellent cleaning performance through active agents
- Highly material-compatible and non-aggressive
- Rapidly biodegradable
- Works optimally thanks to strong adhesion and effective penetration
- Dilutable with water
- Non-corrosive and non-toxic
- Free from solvents and other organic compounds (VOC-free)
- Spray head with adjustable spray pattern

Note

CAUTION: Do not use MOTOREX BIKE CLEAN in direct sunlight or on warm or hot surfaces. Never clean mopeds or motorcycles immediately after riding, while still warm or hot. Do not allow the cleaner to dry; rinse it off while still wet. Do not use a high-pressure cleaner. Lubricate the chain and other moving drivetrain components immediately after cleaning with CHAINLUBE or CHAINWAX to prevent corrosion.

Field of application

MOTOREX BIKE CLEAN is ideal for thoroughly cleaning dirty bikes as well as their equipment and components.

Application

1. Moisten the entire bicycle beforehand using a garden hose, bucket, or watering can.
2. Adjust the spray head to a fine mist pattern. This allows the cleaner to form an adhesive foam on the surface.
3. Spray MOTOREX BIKE CLEAN onto all surfaces to be cleaned and let it act for three to five minutes.
4. If necessary, treat heavily soiled areas additionally with a soft brush.
5. After the exposure time, rinse the bike thoroughly with plenty of water. Use a misting water jet, maintain some distance, and avoid spraying directly onto bearings, axles, and the headset.
