

## CHAINGUARD 55

Mineral-based year-round chain oil

### Description

CHAINGUARD 55 is a mineral-based year-round chain oil containing select base oils. Excellent adhesive power and a high level of lubricity guarantee that all moving parts such as chain lines and chain joints are optimally lubricated and protected against wear.

### Product features

- reduces wear on chains and sliding surfaces
- penetrates into the chain joints
- no jamming of moving parts
- fume-free and odourless at continuous cuts
- Corrosion and rust protection
- efficient in consumption due to a very good level of adhesion

### Field of application

Ideally suited for chain lubrication for all types and manufacturers. Can be used in the summer as well as in the winter and even in cold and moist conditions.
