

CHAINLUBE ROAD STRONG

White, fully synthetic chain lubricant

Description

White chain lubricant. Specially for motorbikes used on the road. Tested and found suitable for use in O-ring and X-ring chains. Extremely high-pressure resistant and incredibly adhesive lubricating film.

Application

Spray the cleaned chain and allow to take effect.

Notes

Shake before use.

Sizes

56ml, 500ml

Advantages

- centrifuge-resistant
- water-resistant
- thermostable
- wear-reducing effect
